The Monroe Ward Republicans favoring Burgess's claims being in a like position, by reason of the adjournment of their ward meeting on Monday night, last night met at the residence of Philip Green, on Adams street, and organized with Gilbert Boyd as chairman, and Captain B. C. Cook as secretary. Few or no Smith men being present to disturb the harmony of the proceedings, Burgess delegates (James L. Capston and Philip Green) were elected without frouble,

and the meeting adjourned sine die. The delegates elected from Henrico, Hanover, Caroline, Louisa, and Chesterfield counties are all Burgess men. Therefore his nomination by this Convention is assured, but it will not be respected by any of the followers of Hop. John Ambler Smith. for the treasurer. An arrangement has therefore been made with the Superintendent by which persons may enter their children at the public schools on exhibiting receipts for their city taxes, in whole or in part, when entered, and receipts for State taxes at any time before 1st November next. The collector will give notice when the bills are ready.

THE MILLER-GALLAGHER ASSAULTING CASE. The Hustings Court, Hon, A. B. Guigon presiding, was engaged on yesterday in hearing the case of John Miller, charged with assaulting Frank Gallagher on the evening of the 24th of August last. It appeared from the testimony that there

was a pic-nic at Weimer's Park (Euker's old place) on Monday the 24th August, and among those who were in attendance were Messrs, Gallagher, John Miller, Richard Miller. Thomas J. McDonough, and others. While at the pic-nic John Miller got into a difficulty with some one, and in speaking of it afterwards mentioned Gallagher's name. On the way back to Richmond, and when the party were somewhere near the corner of Broad and Madison streets, naughty words passed between Miller and Gallagher, which finally led to blows, and Miller struck Gallagher with a stone which was tied up in the end of a handkerchief. They then (as was proven in the court-room) fell, Miller on top. Gallagher drew out his pocket-knife and stabbed Miller several times. One of his wounds and four or five cuts in his coat were shown to the jury; but it was also proven that none of these stabs were inflicted by Gallagher until after Miller struck him with the stone in the handkerchief. Miller having inflicted as many blows as he desired got up and left. The jury heard the evidence very patiently and decided that Miller was guilty, punishment a period of thirty days' confine-

ment in jail. Gallagher, who has been indicted for stabbing Miller, will probably be tried to-day or to-morrow.
